

**Show And Tell**

**Company Contact:** Tom Searle  
tom@showandtelluk.com  
+44 (0)20 3489 0872

**Stage area dimensions:** Minimum dimensions of 4.5 metres x 4.5 metres with a stage to grid height distance of at least 3.8 metres (at least 4 metres where possible to compensate for varying grid height of rigged equipment). Staging should be end-on to allow for projection.

**Lighting requirements:** No particular lighting requirements. Show lighting is self-contained within a company's set therefore just access to 13 amp power is required.

**Sound requirements:** Full soundscape operated via laptop (company's own) preferably through venue sound system. This is controlled onstage and cabling should reach stage from desk.

**Video requirements:** Company provides.

**Number in touring company:** 6.

**Touring availability:** Winter 2014, Spring, Summer, Autumn 2015.

**Any additional touring info:** Maximum get-in time required is 5 hours. Maximum get out time required is 2 hours.
