**Stage area dimensions:** Rough minimum 2m x 5m stage area for four musicians plus a reader. **Story's End** is suited to cabaret style set-ups, but use of projections is crucial so lines of sight to stage and ability to achieve a good black out is important.

**Lighting requirements:** One spot for reader, two minimal cues for band for with and without projections.

**Sound requirements:** Preferred - 16 channel PA plus monitors. Company provides all backline, unless venue is able to provide a stage piano.

**Video requirements:** Projector and large screen required for HD video projections throughout.

**Number in touring company:** 5 – 7.

**Touring availability:** Available upon request.

**Any additional touring info:** **Story's End** was devised with flexibility in mind and is performable in arrangements ranging from 60 mins to 120 mins.
