**FERAL**

**Stage area dimensions:** A minimum floor space of 4m x 4m is required for the performance covered with black vinyl dance floor. The performance suits a typical black box theatre space, fully masked with crossover tabs.

**Lighting requirements:** 10 Fresnel, 6 Profiles, 1 Strobe. We require use of a Drop Box – a box rigged from the lighting rig which is either pulley operated or electronically operated to drop 3x small, lightweight items at height.

**Sound requirements:** We require use of an in-house PA with parametric EQ as well as one small onstage monitor. Foley set up requires 1 average sized wooden desk/table and a solid chair, 3 x xlr cables, 3 x mic stands, 1 x 13 amp power and 1 x di-box.

**Video requirements:** N/A

**Number in touring company:** 3 members of the touring party.  
1 x Performer, 1 x Foley Artist, 1 x Technician.

**Touring availability:** Please contact to discuss specific dates/touring periods.

**Any additional touring info:** Please contact to discuss specific touring info.
