Stage area dimensions: Flexible.

Lighting requirements: Basic lighting.

Sound requirements: N/A.

Video requirements: N/A.

Number in touring company: 5 cast + 1 Stage Manager/Operator.

Touring availability: Autumn 2021 onwards.

Any additional touring info: The production was originally conceived for intimate theatre spaces, and has been reconceived for this year's festival as a larger-scale, site-responsive piece. We will tour the production to indoor venues in the future, and the production can be scaled dependent on the venue or performance setting. For technical specifications please contact the company.
