**Stage area dimensions:** Outdoors, small to medium scale.

Suggested capacity 60-80 depending on site.

**Lighting requirements:** N/A.

**Sound requirements:** Portable blue tooth speakers, battery powered, provided by company.

**Video requirements:** N/A.

**Number in touring company:** 2 (including 1 stage manager).

**Touring availability:** mid-August 2022.

**Any additional touring info:** Venue to provide: ticketing/box office, front of house support, any outdoor local licensing, liaison with community sites.

Where the venue is able to support the above needs (FOH, BO, Licensing etc.) and falls within the remit of the Touring Fund activity we will offer the standard box office split of 80/20. Where the venue is unable to meet these requirements, or falls outside that remit, but still wishes to book the performance we will negotiate a fee separately.

This show will be available for touring to indoor venues during the more inclement months. Lighting design/further tech details to follow. Please feel free to talk to us about your available performance spaces, indoors or out, and seasonal availability.
